What's NPHS?
A noisy school building—
no, it's more than that.
an institute of learning
(some misery, some fun)
the only place in town
to get a diploma!
It depends upon the individual—
what he's looking for.
graduation?
kicks?
—others don't even know
what they're here for.

School is more than learning—or trying to—
—It's an awakening to yourself.

"Peace?—
It's a personal thing—
It's being able to live with yourself."

"What makes me cold?—
When I think of some past experience
and realize I blew it!"

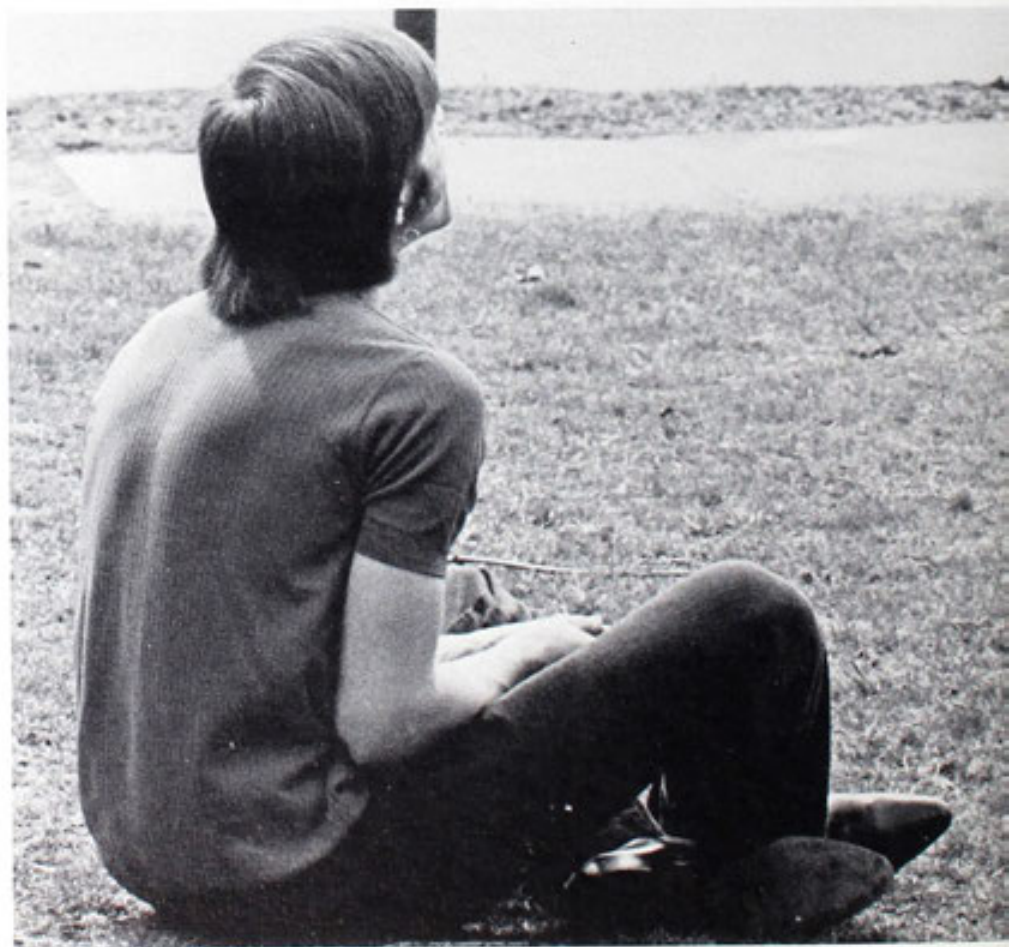

"Peace?—

It's a personal thing—

It's being able to live with yourself."

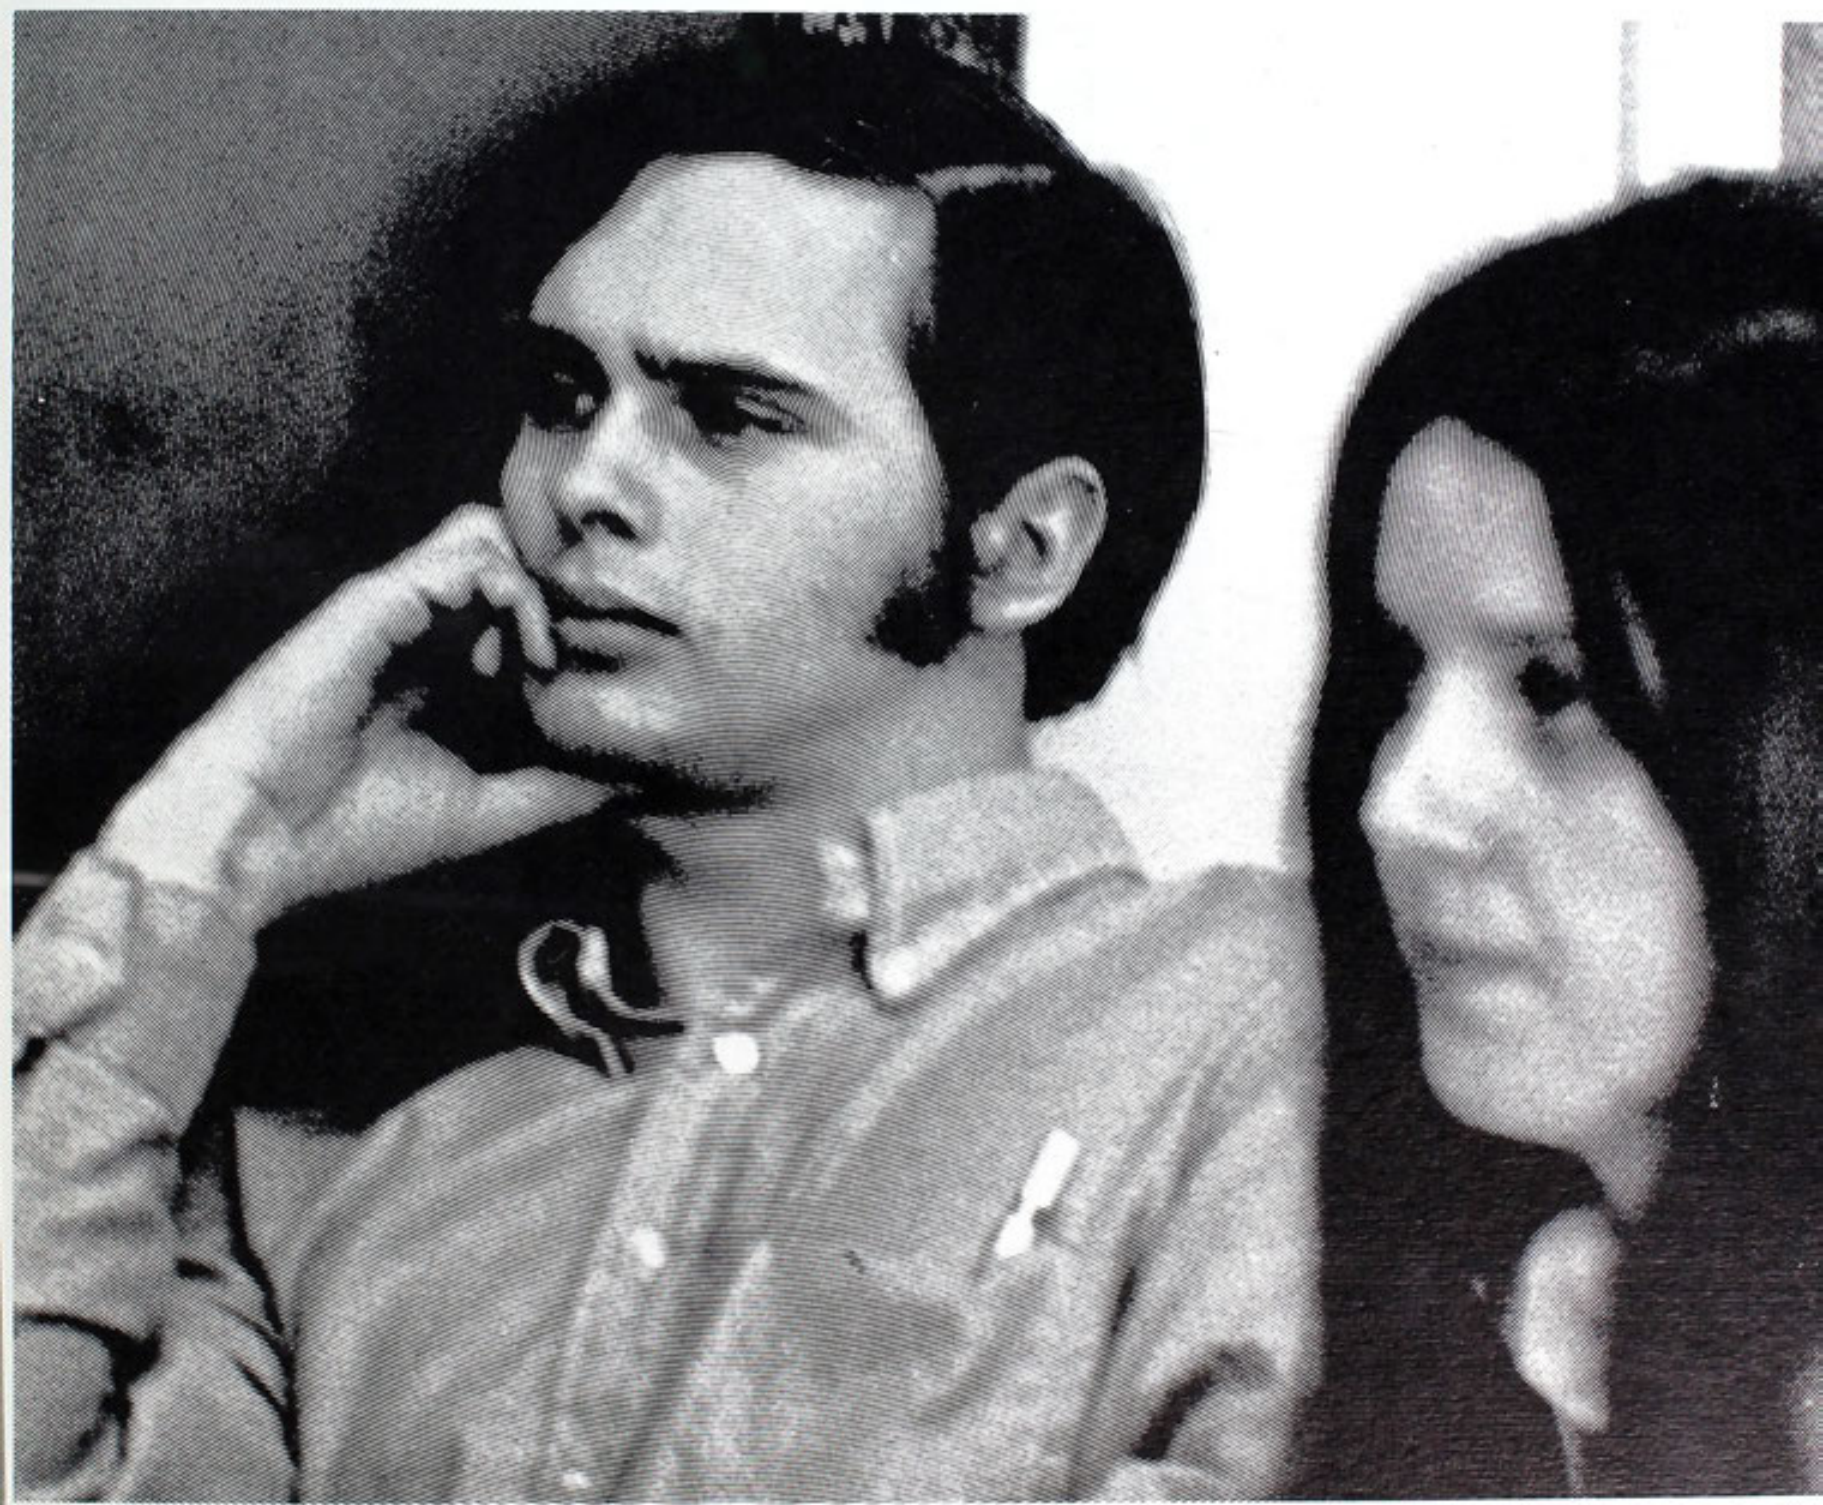

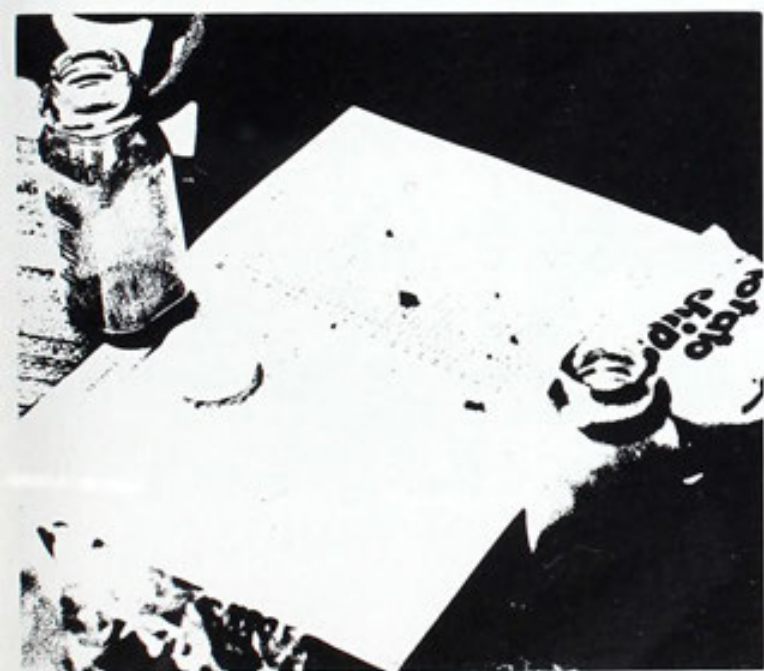

Memories gone by—
vivid, sharp,
warm, sentimental.
Recall the past—
remember
“that time”
a Flashback.

Senior Banquet

Forshadowing the end—
Atwood Lake Lodge
Hills to roam!
Lobbies to relax in
Dancing by the Reformation.
Speeches—funny, advising, emotional.
Doors to the future
Keys to open them—
On the threshold of a dream.

We've learned one thing about profit.

**If you can't make a little of it...
you can't make much of anything.**

Profit is what keeps a company's wheels turning. So it can keep turning out the products its customers rely on.

And our wheels have been turning continuously for seventy years.

Profit pays for our research and development. It helps us discover new bearing and steel uses.

Profit pays for new facilities. And it pays for the people who have helped to make the profit.

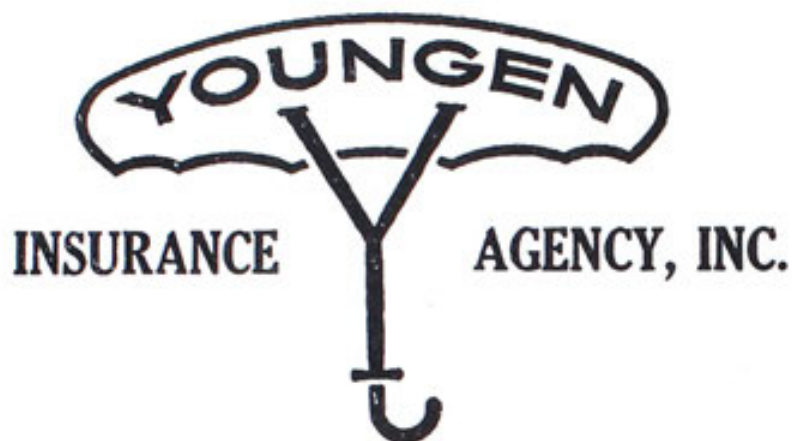

Can you help? Do you have the training and determination it takes to meet the challenges of today's moon-rocketing technology? When you graduate, come see us. And if you plan to go on to college, remember us for the future.
