So many ways to
Attain knowledge.
Cramming,

Guessing—
So many ways just to
Get by.

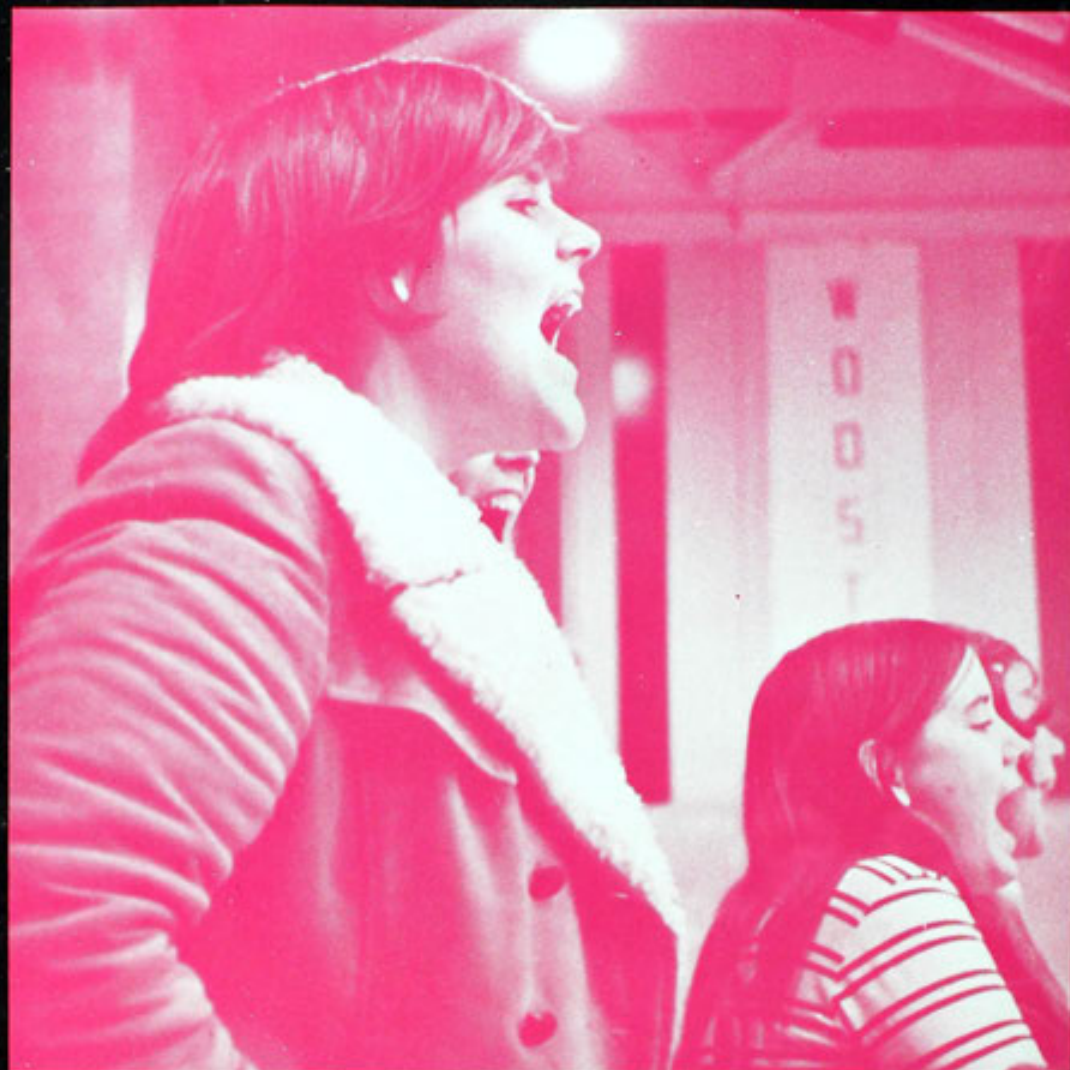

"Wow—

Shapes and sizes.
We

Study
And just
Be
Together.
And despite all else,
Students are we.

LEO (July 23—Aug. 22)

Leo individuals are proud and ambitious, bold and energetic, and they are born leaders. They should watch their vanity, for they have a weakness for flattery and a dislike for criticism. Leos often act merely on impulse.

VIRGO (Aug. 23—Sept. 22)

Persons born under Virgo have logical, analytical, precise minds which cause them to hate disorder. They usually have long, successful lives, provided that they guard against being cold and unemotional.

LIBRA (Sept. 23—Oct. 22)

Libra individuals are the artistic type and have great difficulty being practical. They possess great enthusiasm and their lives are usually most interesting. They have a great chance for monetary gain, but should beware of unwise love affairs.

SCORPIO (Oct. 23—Nov. 21)

Persons born under Scorpio have shrewd business capacities which guide them to the pinnacle of success. They should beware of selfishness, for they may be inclined to be jealous or sarcastic. They possess a magnetic personality which is extremely attractive to the opposite sex.

SAGITTARIUS (Nov. 22—Dec. 21)

Persons born under Sagittarius are optimistic, enthusiastic and amiable. They have a reckless tendency to depend too much on luck, so therefore should think before acting. They are often forgetful and impatient, and perhaps a little too fond of entertainment.

A picturesque setting—
 A serene lake.
 "There's nothing like the
 aroma of a good cigar."

 Eating, drinking, dancing,
 and drinking—
 Everyone had a real ball.

Murphy, Jim Kopp, Trudy McKnight,

Commencement

Tears of both joy and sorrow.
Smiles of accomplishment and relief
12 years now shift from present to past.
